

# WELDERS AWARD

## JUDGES

Mark White, Speno Rail Maintenance  
Mark Stapley, John Holland Rail  
Ross Ginn, Rogin Ultrasonics Pty Ltd  
John White, Multi Civil Rail

The PWI NSW introduced this Award in 2002 to recognise the efforts of field workers in the area of rail welding. This award attracts entries from all over the State, which is testimony to the wide geographic base of PWI members.

This award is proudly sponsored by two of our Corporate Members, Railtech and Thermit.

Judging criteria is based on:

- Must be a qualified Welder with a minimum of 70 welds in the previous 12 months.
- Ultrasonic Failure rate percentage.
- Alignment Rejection rate percentage.
- Site clean up / consideration of the environment.
- Difficulties overcome.
- Safety / LTI (Lost Time Injury) rate for nominees' welding gang.
